

Olympic Planning Awaits Decision Of March 8 Meet

Ways and Means Group To
Make Study Before
Final Action

While supporters of the plan to hold the 1960 Winter Olympic Games in California muster every available resource possible to persuade the important 27-man assembly and means committee of the need for holding the games here, plans for developing the necessary facilities are at a virtual standstill.

There are strong indications that at the March 8th meeting of the committee, the \$4,000,000 appropriation will be authorized but in the meantime numerous questions must be resolved and answers prepared for the assemblymen.

Southern California legislators, for instance, are not enthusiastic over the games because they visualize no direct benefits for that section of the state. Proponents of the project must point out the value, not alone to this immediate area, but to southern as well as northern California.

In advocating a delay on voting by the committee at the February 22nd meeting, Assemblyman Francis Lindsay indicated he would rather give the group ample time to study the many benefits which will accrue from the games than to have a close vote.

New Hotels

Senator Harold Johnson, who presented the case for the advocates of the games, introduced Alan Bartholmey, member of the organizing committee, who testified the state would get most of its expenditure back through admissions, sale of facilities, salvage, and other sources. He said that two new hotel units to cost over \$1,700,000 will be built in the Squaw Valley area if the games are assured.

Bartholmey estimated that \$20,000,000 a year would result in an indirect benefit to the state from additional tourists. These tourists would for the most part, visit all parts of the state during their visit.

Assemblyman Glenn E. Coolidge of Santa Cruz said that while he was not opposed to the appropriation, he first wanted to find out what would happen to a requested allocation for flood relief. It was pointed out that money for flood relief and the Olympic allocation would come from two entirely separate funds, the latter not involving tax money but coming from the tideland oil funds controlled by beaches and parks.

An answer must be given by the legislature prior to April 3 or the games automatically go to Innsbruck, Austria.

Rare Opportunity

Supporters of the games have pointed out that this is the first time that California has had an opportunity to host the nations of the world in winter Olympics—an opportunity sought by scores of other states and countries throughout the world.

FATHER LYONS OF LAKE TAHOE DIES

Requiem Mass will be offered up on Monday at 11 a.m. in St. Theresa's Church of the Pines at Al Tahoe for Father Patrick Joseph Lyons, pastor of the church who died at Reno Wednesday after a long illness.

Father Lyons, who was responsible for building the edifice and rectory, was born in County Galway, Ireland, on March 23, 1917. He received his early training in his home country and had been assistant pastor of churches at Dunsmuir and Davis before going to Lake Tahoe.

Father Lyons was a nephew of Rt. Rev. Monsignor Michael Lyons of Sacramento and a brother of Father Vincent Lyons, assistant pastor of St. John Catholic Church at Chico.

RED CROSS MEETING SET FOR TUESDAY

A meeting of the Truckee branch of the American Red Cross will be held in the Justice court office at 8 p.m. Tuesday evening and everyone interested in the program is urged to attend. Mrs. Donald Schuler, who has replaced Mrs. Fosten Wilson as home service chairman, will make a report.

WINTER CARNIVAL STOPPED BY STORM

The Bay Area Ski Federation's annual winter sports carnival scheduled for last Saturday evening in Truckee, was changed to Donner Ski Ranch because a storm prevented the group from making the trip to Truckee. Preparations had been completed for holding the affair at the Veterans Memorial Hall by the American Legion and Chamber of Commerce, but at the last minute storm conditions forced the change in locale.

Many Projects By Planning Board To Affect This Area

Several matters of importance to this area of Nevada County are being considered by the Nevada County Planning Commission for early action.

First and most important is the proposed zoning ordinance to prevent the erection of undesirable structures in the area and provide for sanitary and safety measures. Currently there is a temporary ordinance, but it was designed merely as an enabling measure until a proper zoning ordinance could be prepared and adopted.

Another project contemplated by the commission is an industrial planning survey. This, according to C. Edmunds, local member of the planning commission, would provide a country-wide survey of potential industrial sites, making it possible for outside interested investors to be given immediate site locations available in the entire county.

This survey would be under the direction of a 19-man group, five of whom would come from the eastern end of the county, Edmunds said.

Still another plan being formulated is a forest practices act which would regulate and control methods of cutting logs and other details of the industry.

Precipitation Near Big Winter Of 1952

This area lacks only five inches of precipitation to be ahead of the "big winter" of 1951-52 and there are two months ahead in which snow and rain can be expected.

A major storm during the weekend, which at times caused the closure of highways, brought 27 inches of new snow to Truckee to bring the amount on the ground to 50 inches and added 2.60 inches of precipitation for a February total of 4.27 inches. This compared to a normal of 5.29 for the month.

The seasonal precipitation is now 44.14 inches and the normal is 19.43. The 1951-52 storms totaled 49.50 for the entire season.

The U.S. Forest Service reports the high temperature for the week at 38 on Monday with a low of four on Tuesday.

There were 180 inches of snow on Donner Summit this week.

GAME MANAGEMENT TO BE OBJECT OF SPORTSMENS MEET

A representative of the fish and game department will be at the meeting of the Truckee Outdoor Sportsmen Friday evening, March 9th, to discuss with local sportsmen game management for this region.

Charles Osburn, vice president of the local club, urges all sportsmen to attend the meeting since it may have an important bearing on future hunting rules and regulations.

Among other subjects expected to be taken up will be the often-proposed antlerless deer hunting.

TAX MAN WILL BE HERE NEXT MONDAY

Help for harassed taxpayers was promised today by Robert C. Kirkwood, chairman of the Franchise Tax Board.

Kirkwood announced that a State income tax auditor will be stationed at the Truckee Hotel Monday, March 5, to help taxpayers prepare the State income tax returns. Monday, April 16, is the last day for filing without penalty.

Returns are due from all single individuals whose income was \$2,000 or more, and from all married couples with a combined net income of \$3,500 or more. Kirkwood advised.

BOY BREAKS LEG IN FALL AT HOME HERE

Michael Roberts, 2½ year old son of Mr. and Mrs. Charles R. Roberts of Donner Lake is a patient at the Tahoe Forest Hospital suffering from a fracture of his upper left leg. The little fellow fell at his home last Thursday. Dr. Ben King is attending him.

State Will Assist In Survey Plans For Local Airport

Planning Board Will Seek
Available Funds At
Meet Today

Another step toward providing this area with an airport was taken Tuesday evening at a meeting of the Nevada County Planning Commission when Clyde P. Barnett, director of the California Aeronautic Board, advised a local delegation that his organization would take every means to lend assistance to the local project.

Chairman Litton of the commission will appear before the board of supervisors today to request that a portion of the \$3,214.18 now available in the county treasury for airport development be allocated to the Truckee project.

Representing this area at the meeting were Hal Welch, chamber of commerce president; E. V. O'Rourke, and W. M. Englehart, Jr., airport committeemen. C. Edmunds, a member of the commission also attended to urge county and state assistance.

Barnett, who said he would make a personal visit to Truckee to study the proposal, advised the group that topographical and contour maps are required and if the field is found advisable, his board will provide applications and assist in securing federal aid.

Representative Clair Engle, of this district, has offered full support of the project and wants action taken as soon as possible.

The California Olympic Commission has also asked the aeronautics board to make a survey with an aim for providing air transportation to the 1960 winter games.

CALIFORNIA GROUP IN EAST TO AID IN HUGE WATER PLAN

The interior and insular affairs committee Friday is expected to conclude its hearing in Washington on the proposed Washoe Project, the huge reclamation development which would affect the Truckee and Carson basins and Lake Tahoe.

To protect the California interests in the matter, the California Water Compact Commission this week dispatched Harvey O. Banks, acting state engineer, H. G. Davis, commission secretary and Adolphus Moskovitz, the commission attorney, to Washington. This delegation bears a proposed amendment which, while authorizing passage of the act, stipulates that water shall not be stored in the Stampede or Watsheam sites for other than flood control until such time as a compact has been entered into between California and Nevada and details approved by members of the commission from both states.

C. Edmunds, of Truckee and William Bechtolt of Tahoe City, members of the California commission, attended the meeting held in Sacramento Tuesday.

TIM RISDEN FIRST IN LOCAL SPELL TESTS

The Tahoe-Truckee District finals of the Central Valleys Spelling Bee contest, sponsored by the McClatchy News Services, were held at Tahoe-Truckee High School on Wednesday, February 22, 1956.

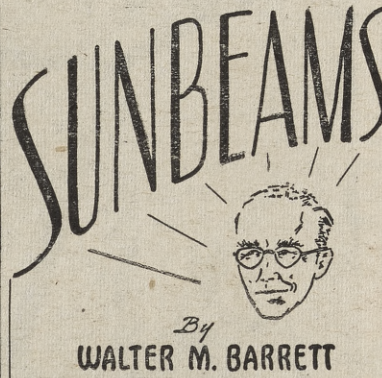

Tim Ridsen, a 7th grade student from Truckee, placed first in the total competition, and Andy Peterson, 8th grade student from Donner Summit, was selected as first alternate.

Other final elimination contestants were: Erica McLane, 4th grade, Tahoe Lake School; Jerry Grinstead, 6th grade, Tahoe Lake School; Francis McGinn and Barry Leamon, 6th grade, Truckee Elementary; and David Decker, 6th grade, Kings Beach school.

Tim Ridsen and Andy Peterson will compete in the County Championships during the month of March, and if successful in this competition, they will have the opportunity of competing in the Central Valley Championships on May 5, 1956.

Redd in Germany—

Charles Redd, a former teacher here, now in the U.S. Army, wrote from New York that he has left Texas and now is stationed in Germany.

We think the wrath stirred up among sportsmen in this district over the discriminatory action of the state fish and game commission is entirely justified. In our rather long history of reporting news, this marks one of the most flagrant violations of the will of the majority it has been our duty to record. In closing seven miles of the Truckee river to the exclusive use of artificial lures, the commission overrode objection of scores of local sportsmen and business people without any apparent regard for their wishes, as compared to the whim of a few individuals, who have for years sought this action. The move was taken under the guise of conservation. It does not provide any recourse for the sportsman with his bait, although his license will cost the same as that issued to the flycatcher and he supports the fish program with equal interest and vigor. We do not believe conservation could have been the real object of this so-called "trial". If conservation was the only purpose then the disputed section should have been closed to all fishermen, since, in California, certain types of bait as well as artificial lures are recognized as entirely legal. Certainly, by preventing 70 or 80 per cent from fishing in a given area, there will be natural conservation of the trout, but if that is the sole object of the commission, we might suggest they keep the fish in the rearing ponds so they would be saved. If, on the other hand, we are raising fish for the sportsmen, then let them make laws which apply to all sportsmen. We feel that the fishing program will suffer from this decision. It may be inclined even to make outlaws out of people who sincerely want to continue cooperating with the state officials and ask only cooperation from those officials in turn. Maybe next year the restriction will be lifted—maybe not. In the meantime a small segment may find a great deal of satisfaction in the fact they are depriving scores of youngsters and beginners from enjoying their favorite sport in waters made legal only to the better equipped and more experienced fisherman.

The Junior Varsity from Tahoe-Truckee defeated the Junior Buckaroos in a weird, stall-type game, 26 to 17. The Cubs were not allowed to touch the ball in the first period as Winnemucca completely froze the ball and the period ended, 0-0! By half time the Cubs had run up a 6 to 1 lead and the freeze was off, as the went on to an easy conference win.

The Miner Minors from Manogue pulled the upset of the season as they out-shot the cool Cubs for a 47-41 win and handing the Cubs their first conference loss, leaving them with an over-all record of 10 wins and 5 losses to the season.

Manogue came to town Friday night, February 24, and dealt out an impressive 78 to 50 win over the Wolverines in what turned out to be the final regular season game for the locals. Three of the green and gold clad Miners hit for 15 or more points, with Tahoe Truckee's Doug Wilson hitting well for 19 counters.

Saturday night's game was scheduled for the Stewart gym, but because of weather conditions the Wolverines were forced to miss the game after getting as far as Reno. The game, however, will not be made up as it had no effect on the seedings for the Zone Tournament.

The Junior Varsity from Tahoe-Truckee defeated the Junior Buckaroos in a weird, stall-type game, 26 to 17. The Cubs were not allowed to touch the ball in the first period as Winnemucca completely froze the ball and the period ended, 0-0! WATER RATES WILL ADVANCE IN SOME AREAS OF DISTRICT

Attention is called this week to an ordinance passed by the Truckee Public Utility District increasing the water rates in some sections of the district.

The ordinance also establishes fixed rates for all sections, providing rules and regulations, methods of service and collections and other details.

The ordinance appears on another page of the Sierra Sun today.

MRS. HELLER NAMED ALASKA DELEGATE

Mrs. Charles Heller received word that she has been appointed as a delegate to represent this district as well as the state Rebekah assembly at an international meeting to be held in April in Ketchikan, Alaska. The northern meeting place is under the Washington jurisdiction of the Rebekah Lodges.

STREET CLEARED

Division of highway crews performed an excellent task this morning by carting away the high bank of snow which has offered parking difficulties along the main street since the last storm.

Little Improved—

Word from Placerville where R. N. Little of Truckee is recuperating at the home of Mr. and Mrs. A. P. Leitch following a recent illness, was to the effect that he is rapidly improving in health and will leave shortly for a visit in Corona.

Marin County is named for Chief Marin of the Licatut tribe of Indians.

Wolverines Drop Two Conference Games This Week

Stewart Indians Win Close
Tournament Contest
From Locals

The Stewart Indians Monday night won the opening game Western Nevada "B" conference tournament by defeating the Wolverines of the Tahoe Truckee High School, 53 to 47.

By Jim Brehler

Tahoe Truckee's Wolverines lost their final two conference games during the last two weeks, as they traveled to Winnemucca on February 21 to lose to the "A" Division championships, 55 to 28. The Buckaroos were red-hot once again as they have been all season and ran up quarter leads of 17-4, 23-8 and 43-18. Coach Con Briner's eagers were way off on their shooting and were never able to effectively penetrate Winnemucca's tight zone defense.

Manogue came to town Friday night, February 24, and dealt out an impressive 78 to 50 win over the Wolverines in what turned out to be the final regular season game for the locals. Three of the green and gold clad Miners hit for 15 or more points, with Tahoe Truckee's Doug Wilson hitting well for 19 counters.

Saturday night's game was scheduled for the Stewart gym, but because of weather conditions the Wolverines were forced to miss the game after getting as far as Reno. The game, however, will not be made up as it had no effect on the seedings for the Zone Tournament.

The Junior Varsity from Tahoe-Truckee defeated the Junior Buckaroos in a weird, stall-type game, 26 to 17. The Cubs were not allowed to touch the ball in the first period as Winnemucca completely froze the ball and the period ended, 0-0! By half time the Cubs had run up a 6 to 1 lead and the freeze was off, as the went on to an easy conference win.

The Miner Minors from Manogue pulled the upset of the season as they out-shot the cool Cubs for a 47-41 win and handing the Cubs their first conference loss, leaving them with an over-all record of 10 wins and 5 losses to the season.

LOEHR TAKES OVER OIL BUSINESS FROM RANSOME COMPANY

Announcement was made today by Ransome Company of the sale of their heating oil distribution plant to Standard Oil Company of California.

Under the new arrangement, Henry G. Loehr, Standard's wholesale distributor at Truckee, will handle stove and furnace oils in the local area. Customers at Tahoe City and the lake points will be served by Don M. French, Standard's representative at that point.

There will be no change in products since Ransome Company has been distributor for Standard heating oils for years.

Edward C. McEneaney, general manager of Ransome Company here, pointed out that the change affects only the distribution of heating oils.

"We will continue in the sales and service of liquefied petroleum gases to accounts in our Truckee field as in the past," he said.

SIX CANDIDATES TO BE INITIATED HERE

Six candidates were initiated into the Naomi Rebekah Lodge, No. 2 at the February 22 meeting with Mrs. Laura Horman, noble grand president. Those going into the lodge for the first time included Mesdames William Davis, Jerry Lewis, Dale Stricklin, Ruby Russell, Art Mori, and Hal Welch.

Mrs. Amanda Philippi of Laurelwood Lodge, Portland, Oregon, who is a guest of her son and daughter-in-law, Mr. and Mrs. Wayne Philippi was also present.

Mesdames Ted Hawkins, Ben King, T. W. Franklin composed the refreshment committee for the evening.

Mrs. Alice Brown announced that the Mothers Circle of the De Molay will meet the first Wednesday in March in the Masonic Building.

Sportsmen Riled As State Group Restricts Fishing

Local Organizations, Many
Individuals Ignored
By Commission

In an action believed unprecedented, the California Fish and Game Commission last week bowed to the will of a small minority, completely disregarding the appeal of six or more local organizations, comprising an overwhelming part of the local population and unanimously voted to close seven select miles of the Truckee river to bait fishermen.

William J. Harp, assistant to the commission, advised the Sierra Sun this week that the commission had received more than a score of letters opposing the restriction and had received nearly that many letters favoring the plan. The latter letters, he admitted, came only from individuals and none from this area—the area affected by the action.

"Trial Basis"

Harp declared there is no way in which the action can be changed for one year, but that at the end of that period the commission will again consider the matter.

Local sportsmen were naturally irked over the result of the commission's decision, holding it discriminatory and unfair to the scores of legal fishermen, who enjoy their sport with bait, but pay the same amount for licenses and contribute just as greatly to the fishing program as the few who adhere strictly to flycasting.

Method Criticized

The method of the action taken, too, was severely criticized. During the Sacramento meeting of the commission, on January 6th when all recommendations were required to be made, the minutes showed only that "certain" streams should be restricted to artificial lures. Nothing was said openly at that time about "certain streams" being only the Truckee river, although it was learned following the meeting that only the Truckee was being considered even then.

It was not until a "slip" revealed the proposed restriction would affect the Truckee that local interests were advised. Even then, with the time short, virtually every organization in the community and some from Lake Tahoe and Reno went on record opposing the regulation, and so advised the commission.

Official advice was received that protests would be considered and undoubtedly would alter the determination of the commission at the February 24th meeting in Los Angeles. However, this advice did not prove sound, and despite the thunder of protest, the few individuals who also wrote in favoring the scheme, had their wish fulfilled.

There will be a meeting of the commission representatives at Capitol Hill here March 22 for mapping the fish planting program for the year and it is expected that the matter will be thrashed out there, but it cannot alter the arbitrary decision.

BUD ZORICH NAMED ON SCHOOL BOARD TO SUCCEED LOYND

George (Bud) Zorich, well known Soda Springs resident and business man, has been appointed by the board of governors of the Tahoe Truckee Unified School District to succeed Walter A. Loynd of Truckee, who resigned several months ago.

Zorich was chosen to represent the Donner Summit area of the district as Fred Pedley, still a member of the board has moved to Truckee to make his home.

Other members of the board include Reginald Smart of Truckee, Jack Feltz of Kings Beach and Denis Sach of Tahoe City.

EASTERN STAR WILL MEET ON TUESDAY

The first stated meeting of March, for the Order of the Eastern Star, will be held on March 6th. Elizabeth Bavier will be chairman for the evening, and the "siders" will be honored.

The chapter's two most recent new mothers will be specially honored. They are Elizabeth Hamton of Norden and Joyce Peterson of Floriston.

WYETHIA CLUB WILL HOLD DINNER MEET

Tomorrow evening at 7 o'clock the membership of the Wyethia Club will convene for its first official dinner meeting of the year in the Community Methodist Church, with Mrs. Eugene Welch presiding.

A program will follow and all those interested in the club's activities are asked to attend. Mrs. I. Firpo at Cabona's Store may be contacted for reservations to the dinner which will be arranged by members of the W.S.C.S.

Six Qualify To Be Speakers In Lions Club Contest Here

Six Tahoe Truckee High School students won the right to speak before local Lions Clubs after the first elimination of a speaking contest on the topic of "Youth Problems of Tomorrow" held February 24 at the high school.

Winners of this contest were Jude Commagere, Tahoe City; Sandra Frank, Truckee; Scott Gilmore, Kings Beach; Janice Gray, Truckee; Linda Loynd, Truckee; and Nikki Ann Wing, Kings Beach.

This annual student speakers contest sponsored by the Lions Clubs of California and Nevada is designed to provide an opportunity for competitive public speaking among students on a subject of vital interest to the contestants and to the American people and they aim to stimulate self-expression and independent thinking on the part of the students. Judges for the contest considered effectiveness of the effort as a whole, the text, delivery and emotional appeal and timing.

Sandra Frank, Janice Gray and Linda Loynd of Truckee, will participate in a further elimination contest at the Lions Club of Truckee on Wednesday, March 7. Jude Commagere of Tahoe City, and Scott Gilmore and Nikki Ann Wing, both of Kings Beach, will present their speeches to the Lions Club of Brockway on Tuesday, March 6. One winner will be selected from each club to participate in the Zone contest to be held before March 25. Winning speakers of zone, district, regional, and area contests participate in a final District Four Contest at the District Conference and will compete for an educational scholarship of \$1,500.

Two Held After Local Car Stolen

Andrew Garcia of Truckee and Herbert George Howell, Sacramento, both 25, were being held in the Nevada County jail this week in lieu of \$1,000 bail each on charges of car theft.

State Patrolman Roy Stallard, who took the two into custody after a chase on Donner Summit Sunday night, said additional charges may be filed.

Stallard reported he received a call Sunday evening through the division of highways radio to the effect that Bernal Euer, employed at Donner Lake saw his car speed by. Later Garcia said he had received permission to take the car but Stallard could not verify this statement from either Mr. and Mrs. Euer who both signed the complaint before Judge F. W. Wilson. Stallard chased the car to Beacon Hill lodge where the driver stopped in the parking lot.

BENEFIT TICKETS TO BE HONORED HERE AT TAC HOOP GAME

A severe snow storm last Saturday caused cancellation of the basketball game scheduled between the Truckee Athletic Club and Paulie's Brake Shop of Sacramento and since the latter team has commitments which will prevent a future contest here, Dave Morey, president of the TAC said the benefit game will be held next Thursday evening.

The tournament will start tonight at 7:30 with a game between the Telephone Company and Jim's Barbers.

The second series of games will be Monday night and will wind up the season next Thursday when tickets for the firemen's benefit will be honored and when closing ceremonies and the awarding of trophies will be featured, Morey announced.

FORMER LOCAL GIRL EARNS NURSE'S CAP

Marcia Dudley, received her nurse's cap on February 22 at St. Lukes Hospital in San Francisco.

Miss Dudley is a graduate of Tahoe-Truckee High School and attended San Jose State two years before entering nurses training. She is the daughter of Dr. and Mrs. S. Dudley of Berkeley.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO—(CNS)—An effort to establish a 65 mile speed limit in California will be made at the next regular session of the legislature which commences in 1957. But some serious thought should be given this proposition now.

The average motorist will probably welcome this suggestion particularly since it comes from the California Highway Patrol. The reason Mr. Motorist will readily agree is because he now labors under the belief that California has a 55 mile maximum speed limit. This is not the case.

California legislators long ago recognized the fallacy of attempting to control speed by a hard and

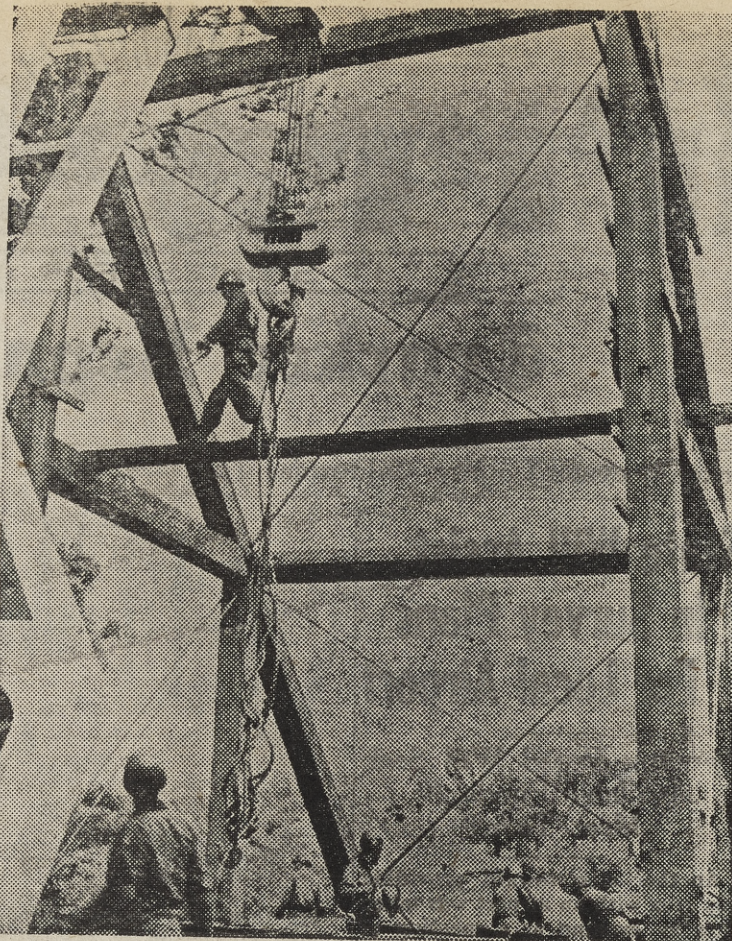

fast rule. The California speed law is what is known legally as a "prima facie" law. This provides that anything up to 55 miles on the open highway is safe and anything beyond that may be safe but the motorist shall have the responsibility of presenting evidence to show that he was not endangering anyone in driving faster than 55 miles per hour.

This is a sensible approach to the problem. If it is safe to drive 55 miles at night or in the rain or under heavy traffic conditions or on a country lane with blind intersections, then it follows that something faster than 55 miles is safe on a divided freeway.

Unfortunately neither the highway patrol nor many of the courts recognize this distinction and motorists are cited for regularly exceeding 55 miles with the court's implied approval by imposing fines. Only in the rare cases where a motorist demands a jury trial on this charge do you find the present law prevailing.

The new proposal for a maximum limit of 65 comes directly from Bernard Caldwell, highway patrol commissioner.

Caldwell is an ex-Los Angeles cop. His attitude towards his job as commissioner of the highway patrol is that of a cop. Highway patrolmen are rated on the basis of

the number of tickets they write. The easiest ticket to write are those for speeding. For the past two sessions of the legislature Caldwell has attempted to gain approval for the use of radar to make speed arrests simpler. The legislature continues, and properly so, to view such devices as "speed traps" which were outlawed by the legislature years ago.

The proposal for a maximum speed limit follows this thinking. In several profound statements Commissioner Caldwell explained why he believed his 65 mile proposal should become law. Among those given was that the public misunderstood the present law. This is not accurate. The public understands the law very well but Mr. Caldwell and his officers lack proper understanding when they insist on writing tickets for motorists exceeding 55 miles on the wide-open highways throughout the state.

Caldwell's true statement is his concluding one wherein he states that "besides it will make enforcement easier."

One should ask who causes the accidents? Is it the so-called speeder who is actually committing no violation but simply exercising his right, under the law, to use his judgement as to what speed is reasonable? It is only a logical conclusion that the fast driver is usually the safest; otherwise he will soon eliminate himself.

Several recent reports put out by agencies such as the National Safety Foundation disclose that

General Funds In State Run Ahead Of Record

SACRAMENTO —(CNS)— State Controller Robert C. Kirkwood reported state general fund revenues after five months of the current

more than 50% of traffic fatalities result from accidents wherein the speeds were less than 40 miles per hour. This establishes that speed is not the cause of traffic fatalities. It may contribute but it is not the cause.

The public will get no real relief from traffic accidents until there is a readiness to accept the basic solution. That is more restrictive licensing of persons to drive. At present, even people receiving blind pensions are licensed by the department of motor vehicles to drive an automobile. This is a fact admitted by the department.

Senator Arthur Breed of Alameda County makes a sensible suggestion which is remarkably simple. He proposes that persons who cause accidents, those actually involved in an accident and found responsible for it, be issued a restricted license. The second accident would be grounds for a probationary license and after the third accident the individual would thereafter be denied the privilege of driving. This, of course, is much sounder than the present system of revoking licenses simply because a motorist has been caught driving 30 miles per hour in a 25 mile zone three times in one year, which is the existing law.

fiscal year were running \$60 million ahead of the previous year. Revenues for the period totaled \$404,125, 955, he said. Kirkwood said the following revenue increases were chalked up: Sales tax, \$42,745,997; liquor tax, \$7,908,840; bank and corporation franchise and income taxes, \$5,855,473; personal income tax, \$2,357,148; insurance companies tax, \$809,280; liquor license fees, \$199,466.

At the same time, however, state

expenses soared more than \$62 million over what they were for the same period the previous fiscal year. State expenses for the period totaled \$364,683,148.

Principal increases in expenditure included: Apportionments to schools, \$48,002,657; University of California, \$3,021,411; bond redemption, \$2,047,747; aid to needy aged, \$1,086,539; aid to needy blind, \$115,433; miscellaneous fixed charges \$8,538,223.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Weather, Weather- WEATHER! one of the most important subjects of interest in the whole world. And we know full well that Tahoe weather is always of interest to Tahoeites old times or new— at home or abroad. And at this writing (thank goodness) the sky is clear and blue once more, the sun shining bright and warm, and the snow melting— although last night, after a clear day Sunday, the temperature dropped lower than it had been for more than a week. Very early Monday morning it

registered 8 above zero.

Weather Figures

Weather Observer Art Frodenberg registered the new snowfall since last Tuesday on stated dates as follows: Tuesday 21st, 3 inches; 22nd, fair; 23rd, 17 inches; 24th, 6 inches; 25th, 1/2 inch; 26th, 8 1/2 inches. All of the snowfall amounted to 2.55 inches of precipitation for the week. On Monday morning Frodenberg measured 74 inches of snow on the level, or six feet and two inches, which is more than we have had on the level at one time since the winter of '52. He said that all 17 in the water gates at the dam are still open, and on Monday morning the lake level measured 2627.33 feet above sea level.

Rotary Meet

On last Tuesday evening the Tahoe City Rotary Club met for its

dinner-meeting at Tahoe Inn as usual, with president, Steve Korich presiding. Twenty-five members and one visitor attended. The visitor was Arthur Couillard of the Truckee Rotary Club. Lacking any special program for the evening, local member Bob Wray acted as program manager and entertained the gathering with a color film provided by the Washington State Apple Commission. The picture depicted the apple industry from the orchards laden with ripe fruit, through the spraying and pruning processes, right down to the packing and shipping of the fruit. The Washington State Commission boasts five varieties of the best apples, and an annual shipment of forty thousand car loads of fruit to all parts of the west.

Postpone Show

The Rotary Club had to postpone their weekly free movie scheduled to be held in the school auditorium on Wednesday evening. The snow blizzard was at its worst at that time, and also Wednesday, being Washington's birthday, it seemed the teachers could not be asked to go

on duty to manage an entertainment on a national holiday.

PTA Program

At the Tahoe Lake School on Thursday evening a week ago the local P.T.A. put on its annual entertainment for P.T.A. National Founder's Day, and also in honor of the P.T.A. District Representative, Mrs. H. Lawson of Sacramento, who was visiting this school at the time. Mrs. Lawson gave an interesting talk on the history of the organization, and concerning its accomplishments and value to public schools throughout the country. The mothers of the community brought home-made pies and made hot coffee, and refreshments were enjoyed late in the evening.

SNOW BALL

The Tahoe City Fire Department wishes the community to keep in mind its annual SNOW BALL, scheduled for the evening of St. Patrick's Day, March 17th at the Tahoe Inn. On that evening the Inn's dining room will be brightly decorated in St. Patrick's motif, and a real live orchestra will be on hand to

make music for the dancing. A midnight buffet will be served. Donations of \$1.50 per couple will be gladly accepted on admittance, proceeds to be added to the fire-fighting equipment fund.

On Vacation

A message comes this week from Mr. and Mrs. A. M. Anderson, one of the five vacationing Tahoe City couples, from their present location among the coast-land missions. Anne writes that they are enjoying the beautiful "Ramona" country. They have visited the museum and the Bowl where the annual Indian pageants are held, and she speaks of watching the Indians at their sand-painting art on the beaches. One of the vacation couples who returned home last week are Mr. and Mrs. Martin Spitsen who report a grand good time, but are glad to be back in their Tahoe home again.

Pomin Improved

Word from Ernest Pomin, who has had quite a siege in a San Francisco hospital, reports his condition as much improved this week. It is only a matter of days now till

GOVERNOR URGES STRICT MEASURE TO CURB DEATHS

SACRAMENTO (CNS)— Swift and certain punishment for traffic law violators was hinted at today by Governor Goodwin J. Knight as the remedy for the highway death toll which shot to 44 in California over the Christmas

he will be able to move back to the home of his daughter, Mrs. Nellie Boge in that city where he will need to rest up for a few weeks before returning to his Tahoe home in the spring.

Getting Better

George Tiffie, Tahoe Lake School janitor, who suffered a bad fall on the ice near the school house a couple of weeks ago, is reported to have left the hospital several days ago, and has since been recuperating nicely in his home here. It is expected it won't be long now until he will be as well as ever, and back on the job again.

To Open Shop

It is reported this week that Mrs. Oliver Corona, wife of the Tahoe City Post Master, is preparing to open a yarn-and-knit shop very soon in the Mayfield building at the north end of town. The shop will occupy an apartment formerly used as a print shop by Clifford Anderson, adjoining the Tahoe City laundrette. Mrs. Corona's specialty is making very beautiful knitted apparel and other hand work.

Off Sick List

Everyone will be very glad to know that the youngest son of Mr. and Mrs. Bill Becholdt, who was very ill in a Reno Hospital for a few days, is no longer on the sick list. He is reported at home this week, and fast climbing the grade toward normal health once more.

Fish Project

A report that comes this week through Superintendent Don Evins of the Tahoe Fish Hatchery, tells of the fish and game's plans for a huge fish planting project for Lake Tahoe which will probably be spread over a good part of the spring and early summer season. He says that he will receive word a little later just when the planting will start. From five to eight million young rainbow fingerlings are to be brought here from the hatcheries of Darrah and will be planted by airplane along the shore waters in California, from Kings Beach to the state line. He said the fish will be considered larger than the usual planting size, although not big enough to take a hook. It is expected that within a couple of years fishermen will find the lake well stocked with rainbow. Nearly all fish planting for the past four years has been done from airplanes, and the fish and game officials say that this method has saved a vast amount of time, labor and expense, being such a great improvement over the old fashioned planting by back-mule trips over long and difficult trails. All of this country's upper lakes are now stocked from planes flying low over the waters and pouring millions of small fish through the air.

Holiday.

The governor compared the Christmas highway death toll with the number of lives lost in last week's floods, which he said has reached 61.

"I've come to the conclusion," Knight said, "that the knowledge punishment will follow is more effective than the severity of the punishment itself."

Knight pointed out the attitude created by the federal government toward robbing post offices. He said post offices are left alone by robbers because they will get caught if the federal government has to trail them for years.

The governor indicated the futility of publicity campaigns and slogans in combatting highway slaughter.

"Swift punishment for traffic violations, and the knowledge that such punishment is going to follow the guilty, would be more effective than all the campaigns and slogans we now have," Knight declared.

Knight commented many people feel they achieve a social accomplishment when they are able to "fix" a traffic violation ticket. "If ticket fixing becomes socially unpopular," the governor said, "it will be a stigma to ask for it. We still have people who ask for courtesy badges to enable them to violate the laws on the highways and they seem to feel aggravated when they are refused."

The governor appealed to law enforcement officers and judges to get tough with traffic law violators.

NORTH TAHOE

By JUDGE HARRY CHARRISON

T.C. Fire Dept.

Pete Vanni informs me there will be a hot time in the old town on March 17th at the Tahoe Inn when the Tahoe City Fire Department puts on their annual entertainment and dance. Of course there will be a good orchestra for the dancing, and refreshments will be served.

The affair will commence at 8 p.m. So come earlier, if you please, says Pete. Tickets for this big event may be bought in Kings Beach at Kings Beach Variety store, Curly Mason's service station, North Shore Hardware, and the Stop-n-Shop. Lets all go huh?

Visitors

The Chester Robertsons of the North Tahoe Laundry have had visitors from San Rafael. Chets sisters and husband Mr. and Mrs. Paul Ciampi and their son, Norman, al-

so Bobby a boy friend. Paul is a past president of a Lions Club.

Students Speakers

The students speakers contest of the Lake Tahoe Lions Club will take place on the evening of March 6th. It is expected to be at the Tahoe Biltmore. The names of the contestants have not yet been given. This will be ladies night which we hold once a month. At the last meeting Everett V. O'Rourke, superintendent of the Tahoe-Truckee High School, was a visitor, and talked on the prospect of getting an air port at Truckee. With all the other important improvements around the area of Truckee and Tahoe, this would really put the cap on everything. At the moment, we look upon the extra tax raise because we are looking as things are now, but as I see it we should look forward to the unbelievable advantages that the area, especially our area of Kings Beach.

Shriners

Last Sunday morning about 75 Shriners converged on Joby Lewis's Monte Carlo and a happier gathering I never did see. And all voiced their delight at being at Tahoe. They will be back again soon, that's for sure. Among the locals I saw Tom Lucas, Don Barkhurst and Bob Stevenson.

Delightful People

Was up at the Tahoe Biltmore and had a most enjoyable visit with Mrs. Bob Vernon's mother, Mrs. John W. Draper of Hermosa Beach, also with Mrs. Edith Collingwood, aunt of Mrs. Vernon and her aunt, Emma Hartshorn. All of these ladies were very delightful persons to converse with. They will stay for maybe a week or so, and wish they could make their stay longer. The Bob Vernons are managing the Biltmore, at least until it is taken over by its new owners, even then there is a good possibility they will stay on an we sincerely hope so, as they have done much toward the popularity of that place.

Book Baths

A number of the members of the order of the De Molay took a trip to Carson Hot Springs last Sunday at the invitation of Dr. Thos. D. Wyatt. Those from Kings Beach and Tahoe City included Donald and Jack VanHooser, Doug Wilson, Davey Ashton, Roger Holbrook, Bob Williams, Mayton Record, Jo Ann Van Hooser, and Jill Hulbert. Bob Critchley and Mrs. Critchley also went with the boys. They report a wonderful time and the water was wonderful.

V.F.W.

The V.F.W. held their entertainment and dance last Saturday night at the Tahoe Biltmore, Crystal Bay. There was a big turnout considering the beastly night and a

fears, fables and facts about heart disease

"Most heart attacks are fatal."

FACT After a heart attack, the majority recover to lead productive lives.

"You can't work if you have heart disease."

FACT Most can still earn their living... often without changing jobs.

"Nothing can be done about heart disease."

FACT Some forms of heart disease can be prevented, some can be cured. Doctors can help almost all cases, especially if diagnosed early.

"Murmurs, chest pains and palpitations are sure signs of heart trouble."

FACT Not necessarily... only your doctor can tell.

"Women with heart disease should not have children."

FACT With proper medical care, most women with heart disease can bear children safely.

... fight fears with facts ...

help your heart fund... help your heart

delightful dinner was served. A five piece orchestra played. Gene Faulkner says they were well pleased.

On Top

Getting back to the March of Dimes, Ray Plunkett tells me that the project up in this area surpassed last year and per capita was far above any other area, even nationally, for which a citation will be presented in Los Angeles and later will be presented to the V.F.W. up here. A citation was also presented to the post here by Mrs. Sevoy, chairman of the March of Dimes, 1955. The ladies Auxiliary played a tremendous part in the big effort, one well rewarded for their efforts.

New Motel

On Trout Street just off Coon in Kings Beach will be built, commencing at the beginning of March, a 16 unit motel and the owner is H. W. Pratt of Hawthorn, Nevada.

Back

Was in to see Jerry Gordon today. He and his wife recently returned from a buying trip to Los Angeles, and a brand new stock for the spring will arrive for his many customers. By the way, Fred Schultz has left Jerry to attend to his resort, and in his place, William Morrell of Reno and Hawaii has taken the position with the North Shore Hardware. Drop in and get acquainted.

New Name

Was taken through the old Tahoe-Ho Club. I say old because the name is to be changed to Crystal Bay Club, and I was amazed at the new structure. It would seem that not a thing has not been missed and it would be hard to tell all

LLOYD and VIRGINIA EVERETT DISTRIBUTORS

P.O. Box 1286 Truckee

20 YEARS AGO

From the files of the Sierra Sun & Truckee Republican

In January of 1936 the winter sports season opened at Long Hill and Bald Mountain operated by the Truckee Outing Club, Inc. with C. Edmunds, manager in charge.

The hotels were filled to capacity in this area where the sport was pioneered in California and tobogganing was featured with ski jumping here.

The Sacramento Junior College captured first place with 281 points in team standing at a ski meet held at Cisco, early in the month when Earl Edmonds finished fifth and Tony Besio finished ninth in the slalom race.

A close second was the University of Nevada with 279.5 with Bud Owens and Wayne Poulsen as stars.

The local Ice Palace was started with \$11,835 allocated for the work which was started under the SERA the previous June.

The Truckee Outing Club was incorporated, an outgrowth of the Truckee Ski Club, electing Frank Gaennie as the president, Rufe Gregory as first vice and William Englehart as second vice president. C. B. White was treasurer with the following directors; C. Edmunds, A. P. Leitch, James McIver, C. C. Cozzallo, C. E. Smith, Karl Kielhofer, C. J. Bowers, H. McColl, Henry Loehr, Catherine Rossarini, Elizabeth Bavier.

According to Mrs. Marie Henry, secretary of the Lake Tahoe Ski Club, a novel form of entertainment, called the Radio Amateur Hour was held with local people giving their talent from doing the highland fling, singing, playing instruments and reciting poetry for the benefit of the club membership.

Some of those who were scheduled to appear were Janet Watson, Harry Johanson, Clarence and Florence Vernon, George Bernard, Carl Bechdoit, Sr., and son Billie, Ernie Pomin, president of the organization, A. M. Anderson, Bud Ather-ton, and Charles Swanson.

Sig Ulland was noted as a Tahoe ski jumper of rare form and skill.

MUNRO POINTS OUT LIQUOR VIOLATIONS

SACRAMENTO (CNS)— Russell S. Munro, state director of alcoholic beverage control, has issued interpretations to the alcoholic beverage industry concerning state liquor laws.

Munro said it was unlawful for: 1. Liquor retailers to deliver an alcoholic beverage to an occupant of a motor vehicle.

2. Liquor retailers to sell alcoholic beverages to their employees at a discount because of fair trade restrictions.

3. Alcoholic beverage manufacturers to sell items such as drinking glasses and coasters at cost as premiums to customers purchasing their products.

the improvements, so shall have to leave it 'til a little later.

Breaks Bones

Now it's Davy Ashton with a cast on his foot. He was moving furniture at the Tahoe Truckee High School, assisted by Kenny Lavery, when the whole thing fell pinning Davy's foot and breaking two bones. He returned to school after the cast was put on.

Evangelistic Services To Be Held All Month At Church In Kings Beach

Rev. John McMath

KINGS BEACH— The Kings Beach Methodist Church will launch a special series of evangelistic services on each Sunday night of March, according to an announcement just released by the pastor, Rev. A. B. Covher. Under the direction of the Evangelism Commission of the Church the "Four Nights For God" will include community singing, special music by the choir, a candle-light altar hour, and a sermon by various guest ministers.

The sermon this Sunday night will be entitled, "The Church Inherits a New Hero" by the Rev. John McMath pastor of the Methodist Church of Rio Linda.

Friends of all denominations are invited to attend these services, inasmuch as the Kings Beach Church serves for all 25 Churches of the Council. These special services will be in addition to the regular morning worship at eleven, and will start at 7:30 each Sunday night during March. For one hour

Team Selected To Ski In State Competition

The Bay Area Ski Federation Sunday selected the northern California team which will compete in the North-South Alpine Ski Championships next Saturday and Sunday at Yosemite.

The team:

Men— Lewis Fellows, Sierra College; Rusty Crook, Nevada U.; Dick Dorworth, Reno; Jim Baker, California Ski Club; Herb Blatt, Peninsula; Octavio Gironi, Alpiners; Bob Kolak, Sierra College; Howie Norton, UC; Jim Nickolls, Sierra Club; Leroy Rust, Yosemite; Bill Freitas, Oakland Ski Club; Al Grismer, UC; Dick Lummis, UC; Jerry Weirick, Palo Alto.

Alternates— Jack Carlton, Peninsula Club; Larry Dangel, Vikings; Bob Onsanger, Stanford.

Women— Babette Hauieson, Soda Springs; Marji Meyer, Stanford; Starr Walton, California Kandahar; Jean Stenmark, Vikings.

Alternates— Barbara Lind, Vikings; Dottie Hallet, UC; Marilyn Dutra, Dodge Ridge.

There are 42.5 million acres of commercial and noncommercial forest land in California.

preceding the services each Sunday night, beginning at 6:30 the pastor will conduct a series of classes in churchmanship, using visual aids. This class is open to anyone who wants to learn more about church-membership, even though there may be no desire to unite with the church.

The Evangelism Commission of the Church consists of Judge Harry Charrison, Mrs. Eda Judy, Mrs. E. E. Thompson, and Mrs. Ray Plunkett. This commission has also launched a personal visitation program to coincide with the "Four Nights For God". Reverend Mahlon Young, Conference Director of Evangelism, met with the group last Sunday for several hours of instruction. The pastor expects that the church will double its strength through the outreach of this program.

WHAT'S DOING

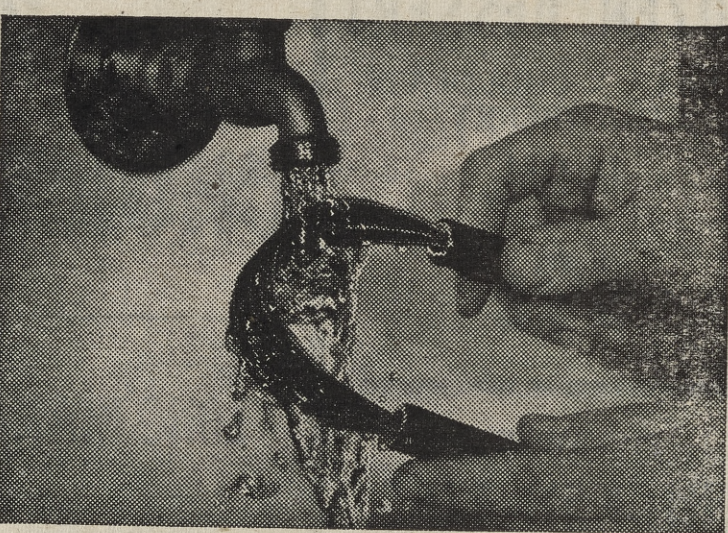

Charles F. Berlenbach, Jr., Telephone Manager in Truckee

LUTHER 7

In the latter part of this year (exact date and time not yet determined) switches will be thrown in our new Dial Building on Spring St. When this happens Dial operation will have come to Truckee. The prefix of all telephone numbers will be LUTher 7 followed by four digits.

The assigning of LUTher 7 as a prefix is part of the overall plan for nation wide dialing which will eventually serve everyone. Prior to this, conversion instructions will be provided so that everybody will have a complete understanding of the new dial system.

New cables have built-in "raincoats"

Inside the telephone cables that carry your calls are many tiny wires. They're the "voiceways". Now, in the picture above, these wires are getting a good dunking under the faucet, as you see. But they're still dry. For each pair of wires is covered with a plastic "raincoat". Paper was once used for this job in all cables. But now we have a new and economical way to put on plastic covers. Result: Even if harmful water should get into one of the new cables, there's an added safeguard to protect your calls. The men and women of Pacific Telephone work to make your telephone more useful every day.

Now you can send flowers out of town by telephone

Here's a new, faster way to send flowers out of town. Just ask your florist to telephone your order. He will call the distant city and arrange for delivery of your flowers before you leave his shop. If the flowers you want don't happen to be in stock, it's easy, by telephone, to change the order. You'll know the flowers you send will arrive on time, too. Florists who offer this new service display an emblem with the words "We speed flowers by telephone" on their window. We think you'll enjoy patronizing them.

ANNOUNCEMENT!

Effective March 1, 1956, Standard Oil Company of California has acquired the Heating Oil business formerly handled by Ransome Company.

This means that the customers served by Ransome Co. will continue to get the same Highest Quality Standard Stove Oil and Standard Furnace Oil as in the past.

Customers in the Truckee Area will find these products available from our Truckee Wholesale Distributor, H. G. Loehr. In the Tahoe City field, our representative Don E. French will serve. Both are well equipped to handle deliveries of Heating Oils and render the very best of service to the trade.

Ransome Co. will continue to maintain Sales and Service on Liquefied Petroleum Gases as in the past.

For your Heating Oil needs a telephone call to our representative will bring you the best in service and quality.

Tahoe-Truckee School District News

TAHOE LAKE

KINDERGARTEN AND FIRST GRADES: We saw some science films this week. We also learned how gray squirrels live in winter and in summer.

Star papers for outstanding printing were earned this week by: Kim Marvin (2 stars), Chris Beavers, Vicki Jones, Dick Pomin, John Carnell (2 stars), Tommy Barr, Martin Spitsen, Rosemary Wray and Linda Stark. Only perfect or near perfect papers are awarded stars.

SECOND, THIRD AND FOURTH GRADES: The second graders made their first written recording on the life of the salmon.

One fourth grade reading group wrote and planned events from the life of George Washington. These

pupils were Karen Henry, Danell Pomin and Sheryn Abrahamian. **FIFTH AND SIXTH GRADES:** Our maps are nearly completed and ready for mounting. They are projections of Canada on three by four foot tracing paper.

The committees have done a very fine job illustrating their particular assignments.

The class is now studying the provinces, Quebec and Ontario. They are making a chart comparing the two provinces in regard to early settlers, area, population, physical features and climate.

DONNER TRAIL

This week has been a short week at Donner Trail. The snow has piled as high as we have ever seen it around the school. The Baker and Justis families of Lake Spalding have not been able to get to school because of the condition of Highway 20.

We thought we would give you a list of the number and variety of things and subjects that we have studied this week in our school.

Here is the list: We discussed George Washington, fungus and mold, we reviewed the handwriting program and applied this to our written work for the week, we discussed the weather, we danced old time dances, we discussed the ski championships won by Larry Piche and Ricky Schull, we read and discussed a letter received by us from a former teacher from Donner Trail, we talked about all the various classes of animals and fishes we have learned about, we saw a film on Idaho which all made our week very full.

KINGS BEACH

KINDERGARTEN AND FIRST GRADES: Cathy Murray and David Hughes have finished reading "My Little Green Story Book".

Diana Astle and Patty Beroid have been making scrapbooks. Mrs. Wing invited our entire class to listen to records and to hear a story. It was a most enjoyable listening activity.

SECOND AND THIRD GRADES: This week, during language arts, we have been establishing better listening habits. Using a small stage, puppets and other props, Mrs. Wing told us the story about the little elf who had three pairs of ears. We listened to several records that distinguished and produced many different sounds. We listened to poems and chose rhyming words. Then we wrote our own poetry.

Chris Althof brought his friend Jerry Dyer to visit all day Friday.

The third grade began learning their multiplication tables this week.

FOURTH, FIFTH AND SIXTH GRADES: As a part of the creative writing program, the following children read their original stories: Linda Critchley, Judy Draney, Paul Franklin, Donnie Decker, Kim Molsberry, Janet Lucas, Jackie Thompson, Suzie Lucas, Jackie Hankins, Karen Critchley, Virginia Baker, Kenny Bailey and Dick Ciani.

The social studies program is now on Mission Life in Early California. As part of the unit project, model missions are being made from model clay bricks. Leading the brickmakers is Dewey Tachovsky with a total of 218 already made.

TRUCKEE ELEMENTARY
KINDERGARTEN: Phillip Riden, Jerry Neugebauer and Michael Kydd told of trips they have taken during sharing time this week.

We dramatized the story of "The Billy Goat Gruff". Ken Brethauer was the old troll, Phillip Riden was the Little Billy Goat, Susan Schuler was Big Billy Goat, and Dickie Daniels was the Biggest Billy Goat. The personal improvisations were most amusing and interesting.

FIRST GRADE: Nicky Kenyon and Twila Lee Barber are ill and out of school.

Ronnie Walker, Charles Collier and Kathy Braasch did some good work in the making of our poster on menu planning, which we are planning to use for lunch on March 2nd, 1956.

SECOND GRADE: The second grade has missed their teacher, Mrs. Trask, who is ill.

We have been reviewing our addition and subtraction combinations with daily drills. Those who

THAT'S A FACT

ANCIENT SYMBOL

THE CHARACTERISTIC THREE GOLD BALLS THAT MARK THE PAINTER'S SHOP ORIGINATED WITH THE FAMOUS MEDICI FAMILY OF ANCIENT ITALY. THE THREE GOLD BALLS WERE THE COAT OF ARMS OF THIS GREAT RENAISSANCE BANKING DYNASTY.

AND THIS IS THE SYMBOL OF SECURITY—THE U.S. SAVINGS BONDS!

BETTER THAN EVER REMEMBER: IF YOU BUY A BOND A MONTH AT \$750 IN 9 YEARS 8 MONTHS YOU WILL HAVE BUILT UP A HEALTHY CASH RESERVE OF \$4,915.40!

ZERO HOUR

MORE ACCIDENTS OCCUR BETWEEN THE HOURS OF 6 TO 7 P.M. THAN IN ANY OTHER PERIOD OF THE DAY!

PAY CHECK

THIS YEAR, AMERICANS' PERSONAL INCOME WILL BE MORE THAN \$300,000,000,000.00—AND A GREAT NUMBER OF THESE SAME AMERICANS, INTERESTED IN THEIR SECURITY, WILL INVEST A PART OF THEIR PAY CHECKS IN U.S. SAVINGS BONDS. WHY NOT BE ONE OF THEM?

STRICTLY STRICKLAND

By Bill Strickland

FRANCONIA, N. H.—Our mountain top isn't the only area that has unusual weather. We arrived in this mountain village about 9:30 at night, bright moonlight, cloudless and cool. Did I say cool? 30 degrees below zero, b-r-r.

The youngsters were out early the next morning to have a look at the hill. They saw it, and a lot of it was just hill-bare spots, rocks and corduroys that were exposed. They skied it anyway, and all decided it was going to be quite a challenge.

The afore mentioned weather held until about noon, warmed up, and proceeded to rain cats and dogs all night and the next day. Cleared up again and is now a real smooth solid sheet of ice.

According to the locals, and Jim Dudley, our host, it happened once last year (yep, during the warm-up for the nationals) sure hope it does not repeat for the Jr. Nationals. We'll know more about it this time next week.

Tomato juice, a recently developed product, now ranks next to canned tomatoes in volume of cases packed.

Truckee Native Dies

Mrs. Anna B. Spark, 77, mother of Roseville city attorney L. DeWitt Spark died this week at an Auburn hospital. She was a native of Truckee, Nevada county, but had lived in Roseville for 70 years. She leaves two other sons, a daughter and eight grandchildren.

NOTICE OF INTENTION TO SELL

Notice is hereby given pursuant to the provisions of Section 3440 of the Civil Code of the State of California, that JACK BOESCH intends to sell to JOHN E. LLOYD, JR., the Bulk, stock in trade, and other appurtenant fixtures, and all of the property known as and belonging to JACK BOESCH under the title of "DAY AND NIGHT SERVICE" located at a place known as Truckee Resort, located 1½ miles West of Truckee, on the North Side of Highway 40, County of Nevada, State of California, and that the purchase price thereof will be paid on the 23rd day of February, 1956, at the City of Truckee, County of Nevada, State of California at 5:00 o'clock P.M. That the address of said vendor is General Delivery, City of Truckee, County of Nevada, State of California, and that the address of said vendee is General Delivery, City of Truckee, County of Nevada, State of California. Dated February 27, 1956.

HOW TO...

Whether you need a paint job, a modern kitchen, new roof—or just more room—Timeplan financing can be the simple, lowcost answer. You can now borrow up to \$3500 and use it for more than 150 home repairs and improvements. There is no down payment and you'll be surprised at the low monthly cost. For instance, if you're adding a room and the job costs \$500, pay just \$23.13 monthly for 24 months. (You have up to 36 months to pay.) Timeplan is easily arranged through your dealer or contractor, or at our bank.

STARTING NOW

aside regularly to build up the down payment that can mean it's yours. Systematic saving for the home you want... or your child's education...or a holiday trip...is a time-tested formula for adding to anyone's happiness. If you agree that "having beats wishing," why not decide now to make a regular deposit to your Bank of America savings account.

? BofA Quiz Corner ?

DID YOU KNOW THAT you can make savings deposits or withdrawals—or payments on a Timeplan loan—at any one of our 575 California branches? It's simple and easy...and something available to you only at Bank of America.

ORDINANCE NO. 56-01
of
TRUCKEE PUBLIC UTILITY DISTRICT
Defining and Classifying Types and Users of Water Service, System and Facilities Thereof; Establishing Water Rates and Charges Applicable Thereof; Providing for the Establishment and Enforcement of Rules and Regulations Regarding said Water System, Service and Facilities; Providing Means for the Collection of Water Rates and Charges and Enforcement Measures in Case of Non-Payment or Certain Violation; Providing for Appeals.

BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT as follows:

SECTION 1. DEFINITIONS: For the purposes of this Ordinance the terms and words below are hereby defined as follows:

1.1 **DISTRICT:** Truckee Public Utility District, and property within the exterior boundaries thereof.

1.2 **UTILITY:** Water service, system, facilities and appurtenances of Truckee Public Utility District.

1.3 **CUSTOMER:** Any individual or agency of record receiving or making use of water service from said District.

1.4 **PREMISES:** Any lot, piece or parcel of land, improved or unimproved, to which water service is being or is to be provided.

1.5 **TARIFF SCHEDULES:** The entire body of effective rates, rentals, charges, penalties and regulations set forth or provided for herein.

1.6 **PUBLIC USE:** Provision of water service to a municipality or other public body.

SECTION 2. TYPES AND CLASSES OF SERVICE: For the purpose of this Ordinance there is hereby established the following types and classes of service:

A. **TYPES OF SERVICE:**
A-1 **Flat Rate Service:** Provision of water service in unmeasured quantities charged for on a fixed periodic charge.

A-2 **METERED SERVICE:** Provision of water service in measured quantities charged for on metered rates.

A-3 **TEMPORARY SERVICE:** Service for construction work and similar uses, which, because of the nature thereof, will not be used steadily or permanently.

A-4 **SEASONAL SERVICE:** Provision of water for a limited but specified period of time.

B. **CLASSES OF SERVICE:**
B-1 **DOMESTIC SERVICE:** Provision of water for household and residential purposes, including water for sprinkling lawns, gardens and shrubbery, watering livestock, washing vehicles, and other similar and customary purposes.

B-2 **COMMERCIAL SERVICE:** Provision of water to premises where the customer is engaged in a profession, trade or business, or is engaged in the buying, selling or providing of goods or services.

B-3 **INDUSTRIAL SERVICE:** Provision of water to a customer for use in manufacturing or processing activities.

B-4 **FIRE PROTECTION SERVICE:** Provision of water to premises for automatic fire protection.

B-5 **UNCLASSIFIED:** Any water service provided to customers or premises, having unusual characteristics or requirements and not within the classification set forth above.

SECTION 3. WATER SERVICE AREAS: The areas in which water service is or may be furnished by Truckee Public Utility District are described as follows:

3.1 **SERVICE AREA NO. 1:** Comprising the South 1/2 of Sections 10 and 11, the North 1/2 of Section 14, all of Section 15, all Township 17 North, Range 16 East, M.D.B. & M. (Truckee)

3.2 **SERVICE AREA NO. 2:** Comprising the South 1/2 of Sections 8 and 9, all of Section 16, and Section 17, all Township 17 North, Range 16 East, M.D.B. & M. (Gateway and Meadow Lake)

3.3 **SERVICE AREA NO. 3:** Comprising the South 1/2 of Section 7, all of Section 18, in Township 17 North, Range 16 East, and the South 1/2 of Sections 11 and 12, and all of Sections 13 and 14, all Township 17 North, Range 15 East, M.D.B. & M. (Donner Lake)

3.4 **SERVICE AREA NO. 4:** Comprising all other parts, parcels, portions or sections lying within the exterior boundaries of Truckee Public Utility District.

3.5 **SERVICE AREA NO. 5:** All land outside the exterior boundaries of Truckee Public Utility District.

The Truckee Public Utility District specifically reserves the right, in the discretion of its Board of Directors, to apply special or restricted service, rates, charges or regulations within any of the service areas described which may differ from the service, rates, charges, or regulations applicable in another service area.

SECTION 4. WATER RATES AND CHARGES: In order to provide revenues for the purposes of undertaking, conducting, and carrying on any of the business and affairs of said District as allowed by law, there is hereby established, levied, and there shall be collected according to the following rates and classifications, the following amounts:

SCHEDULE I
WATER RATES AND CHARGES - Metered Service

4.1 **APPLICABILITY:** Applies to all domestic, commercial, industrial and temporary water service, delivered at metered rates.

TERRITORY: Applies within the exterior boundaries of Service Area No. 1 and Service Area No. 2, as hereinabove described.

MINIMUM CHARGES

(Per month or fraction thereof)
Up to 1/4 inch meter \$ 3.00 per mo.
1/4 to 1 inch meter 3.50 per mo.
1 in. to 2 inch meter 6.00 per mo.
2 in. to 3 inch meter 12.50 per mo.
3 in. meter and over 25.00 per mo.

WATER RATES

(Per month or fraction thereof)
On 1st 6,000 gallons Included in minimum charge based on meter size (above)

Next 4,000 gallons 25c per 1000 gallons
Next 20,000 gallons 20c per 1000 gallons
Next 30,000 gallons 15c per 1000 gallons
All over 60,000 10c per 1000 gallons

SCHEDULE II
WATER RATES AND CHARGES - Flat Rate Service

4.2 **APPLICABILITY:** Applies to all flat rate service, regardless of how classified, fire protection service, unclassified or seasonal service.

TERRITORY: Applies within Service Areas Nos. 1 to 4, inclusive, and to any water provided customers in Service Area No. 5 as hereinabove described.

RATES AND CHARGES for the foregoing shall be established in each case by the Board of Directors, depending on the quantity of water to be used, type of service desired, classification of service to be provided, special connections necessary, if any, and such other conditions or circumstances as may be applicable, all to the end that such rates and charges shall be in conformity with the revenue producing requirements of Section 16467 of the Public Utilities Act of the State of California.

SECTION 5. BILLING FOR AND PAYMENT OF WATER RATES AND CHARGES.

5.1 **METERED SERVICE:** Meters will be read at regular intervals and as near to a calendar month basis as reasonably practicable for the purpose of preparing regular bills, opening bills, closing bills, or special bills. Should a monthly billing period contain less than 27 or more than 33 days, a pro rata correction may be made on the monthly minimum charge.

5.2 **FLAT RATE SERVICE:** Bills for flat rate are payable in advance. Opening bills for flat rate service shall not be less than the estimated monthly charge for the service. Any amount paid in excess of the pro-rated period rate will be credited against the charge for the succeeding month.

5.3 **PAYMENT:** Bills for water service are due and payable upon presentation and payment may be made at the office of the District, Truckee, California, or to an authorized collector. Bills become delinquent 15 days from date of presentation.

5.4 **RESPONSIBILITY FOR PAYMENT:** All bills for water service

and other charges shall be billed to the person requesting and making application for service; provided, however, that in the event of delinquency such rates or charges shall be billed to the owner of the premises afforded such service, whether or not such owner requested or made application for service.

5.5 **DISPUTED BILLS:** In the event of a dispute between a customer and the District as to the correct amount of a bill rendered by the District for service furnished a customer, the customer shall deposit the amount billed with the Clerk of the District, and shall then proceed in accordance with Section 8 of this Ordinance. Failure to deposit said amount within 20 days from the date of said bill shall warrant the District regarding it as a delinquent account.

SECTION 6. ENFORCEMENT OF COLLECTIONS, RULES AND REGULATIONS:

The General Manager of said District is hereby charged with the enforcement of the provisions of this Ordinance and all Rules and Regulations made pursuant hereto. The Board of Directors shall make and provide for the enforcement of such Rules and Regulations for the safe, economic, and efficient operation, management and protection of the District water system, service and facilities, and such Rules and Regulations as may be necessary for the regulation of water services, the application for service, the establishment and collection of connection charges for various types of service, including special contracts where necessary, the collecting, rebating or refunding of charges, establishment of credit and reconnection charges.

(a) In the event of a violation of any laws of the State of California, the ordinance of the District, or the rules and regulations established pursuant thereto, the General Manager shall notify the person or persons causing, allowing or committing such violation, in writing, specifying the violation, and upon the failure of such person to cease or prevent further violation within 15 days after the date of such notice, the General Manager may exercise his authority to disconnect said premises from water service; provided, however, that in the event such violation results in a public hazard or menace, then the General Manager may enter upon the premises and do such things and expend such sums as may be necessary to abate such hazard or menace, and the reasonable value of the things done and expense incurred or amount so expended thereon shall be a charge upon the person and premises so in violation.

If a customer receives water service at more than one location and the bill or charges for service at any one location is not paid prior to delinquency, water service at all locations may be disconnected.

(b) Upon the failure of any person or the owner of the premises, to pay any water service bill or charges applicable thereto, in addition to the foregoing, any one or more of the following actions may be taken:

(1) Each water service bill and/or charges levied by or pursuant to this Ordinance and the Rules and Regulations thereunder, on any premises within the District, is hereby made a lien upon such premise, and any measures authorized by law may be taken by the District to enforce payment of such lien.

(2) Whenever a premise has been disconnected from the water system for non-payment of water bills or charges, such premise shall not be reconnected to said water system until all delinquent charges and penalties, if any, have been paid, together with such additional charges or deposits for disconnection, reconnection or establishment of credit as may be ordered from time to time by the Board of Directors by rules and regulations or other act.

SECTION 7. APPLICATION FOR SERVICE - PERMIT TO CONNECT: No person shall connect, or cause to be connected any premise with the District water system without having first made application therefor to the District, and having obtained premission of the District so to do in accordance with Rules and Regulations.

SECTION 8. APPEALS: Any person who shall be dissatisfied with any determination hereafter made under or pursuant to this Ordinance, or any amendment thereof, or Rules and Regulations made pursuant thereto, may at any time within 30 days after such determination (disputed bills provision excepted) appeal to the Board of Directors of said District by giving

written notice to the General Manager and to the Clerk of the Board of Directors, setting forth the determination with which such person is dissatisfied. The General Manager shall then investigate and transmit to the Board of Directors within 15 days from date of said written notice a report upon the matter so appealed. The Board of Directors after receipt of said report of the General Manager shall not less than 30 days thereafter have a hearing in reference to said protest or matter appealed, and notice of the date, place and time of said hearing shall be given to all persons affected thereby not later than ten days prior to said hearing. The Board of Directors may at any time, upon its own motion, reverse any determination made by the General Manager.

Pending decisions upon any appeal relative to the amount of charges made hereunder, the person making such appeal, shall pay such charge under protest as more particularly provided in the Rules and Regulations of the District. After appeal and hearing thereon is had, the determination of the Board of Directors, as a result thereof, shall be final and conclusive, and in the event that a determination be made, that any charge or amount previously paid under protest be refunded, such refund shall be made forthwith.

SECTION 9: If any of the provisions of this Ordinance, or the application thereof to any person or circumstance, is held invalid, such decision shall not thereby affect the other provisions of this Ordinance.

Nothing herein shall be construed to limit the authority of the Board of Directors to amend, supplement or change this Ordinance, or any supplements or amendments thereof, or to change, modify or alter any rules, regulations or other determinations made pursuant thereto.

SECTION 10: EFFECTIVE DATE OF ORDINANCE: This Ordinance shall become effective 30 days after the date of passage thereof, and shall be published twice within 15 days after the date of passage in the Sierra Sun, a newspaper of general circulation printed and published within the County where in said District is located; provided, however, that the water rates and charges now in effect shall remain in effect until April 1, 1956, on which date the water rates and charges hereinabove set forth and referred to shall become effective.

Chas. R. Heller
President of the Board of Directors.

ATTEST:

C. Edmunds
Acting Clerk and Ex-officio Secretary thereof.

- CERTIFICATE -

I hereby certify that the foregoing Ordinance was duly introduced, passed and adopted at a meeting of the Board of Directors of Truckee Public Utility District on the 23rd day of February, 1956, by the following vote:

Ayes: Heller, Welch, Neugebauer

Noes: none

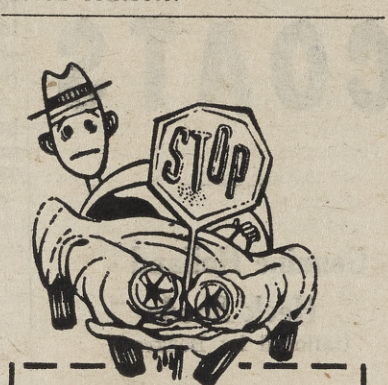

Absent: none

WITNESS my hand and the seal of this District the 24th day of February, 1956.

C. Edmunds
Acting Clerk of Truckee Public Utility District

Residents Of Flooded Areas Are Asked To Maintain Record Mark

SACRAMENTO (CNS)—Harvey O. Banks, acting state engineer, has requested individuals and local public agencies in California's flooded areas to preserve high-water marks as evidence of the most disastrous flood in the state's history.

Banks said there is no question the widespread flooding in the northern part of the state surpassed that of the "now nearly legendary" flood of 1862.

there are to be elected by each of the parties hereinafter named in each of the districts hereinafter stated as many members of the county central committee of that party as is stated under the name of that party opposite the number of the district.

MEMBERS OF THE COUNTY CENTRAL COMMITTEE

The number of each district and the number of members to be elected by each party from the district being as hereinafter set forth:

First Supervisorial District
Democratic, 5 members; Prohibition, 6 members; Republican, 6 members.

Second Supervisorial District
Democratic, 12 members; Prohibition, 11 members; Republican, 11 members.

Third Supervisorial District
Democratic, 1 member; Prohibition, 1 member; Republican, 1 member.

Fourth Supervisorial District
Democratic, 2 members; Prohibition, 3 members; Republican, 3 members.

Fifth Supervisorial District
Democratic, 2 members; Prohibition, 2 members; Republican, 2 members.

Dated this 1st of March, 1956.
R. E. DEELE
County Clerk of Nevada County

(Seal)
M1-8

"In a growing state such as ours it is essential that flood records on all streams be preserved in order to have reliable data for planning future flood control works," Banks pointed out.

The acting state engineer asked that high-water marks be preserved until engineers of the state division of water resources can record them.

Barley has been an important California field crop since the Mission period.

BEE TROPHY RACE SUNDAY AT SUMMIT

NORDEN— The tenth annual Sacramento Bee Trophy Team race will be held at the Sugar Bowl this Sunday, March 4th. Sugar Bowl was the site of the first Bee race. Entry is open to ski teams consisting of two men and two women.

Bill Klein will set two parallel slalom courses on the nose of Mt. Disney. Two racers a man and a woman, will start at the same time on the adjacent courses. The race will start at 11. Many prizes will be presented by the Bee. Entries will be taken at the Sacramento Bee, or by the Winter Sports Director at the Sugar Bowl.

Birth Dates— E. A. Parker received congratulations on his 39th birth date, he said, on February 23. Mrs. C. B. White observed her birth day anniversary on Monday.

Moves In Valley
Mrs. Lois Hack, frequent Soda Springs visitor has changed her address from Fair Oaks to Sacramento.

Judge Ill— James Snell, judge of Nevada County Superior Court was reported to be confined to his home by illness but is doing well.

Tahoe Boy In East For Science Tests

Gary B. Anderson, 17 year old son of Mr. and Mrs. Bert Anderson of Tahoe City and senior at the Tahoe Truckee High School, is in Washington, D.C. with 39 other finalists in Westinghouse's fifteenth annual Science Institute to vie for top honors and the coveted science scholarship.

The institute will be conducted from March 1 to 5.

There are only 40 students, 32 boys and eight girls competing. They were selected from 3,375 graduating high school students in the United States.

During the five-day institute, the science talented teen-agers will hear talks by prominent scientists, see points of historic interest, be interviewed by judges, display their own science projects and visit internationally known men of science and scientific institutions. Their headquarters is at the Hotel Statler, where the interviews and major sessions are held.

Climax of the institute will be the award banquet Monday evening, March 5th at which judges will name the scholarship winners.

GREAT BOOKS GROUP MEETS FOR TALKS

Despite the snow and stormy conditions of last Wednesday evening an increased number turned out for the meeting of the Great Books discussion group. Four new members were enrolled. This was the beginning of the 1st year series of discussions and under the leadership of Rowena Cincotta and Frank Ratliff it was a lively one with much interest and enthusiasm among the participants.

The second discussion, Plato's Apology and Crito, will be held March 14 at the library. Geri Bean and Roy Baker will lead the discussions and, like all meetings of this program, the public is invited to attend and participate.

Anyone desiring information of this adult educational program that meets the second and fourth Wednesday of each month may call the Community Center Library.

BILL BRINER WINS IN CISCO SKI RACE

CISCO— The first annual giant slalom down Tunnel Mountain Sunday was won by Bill Briner, open class racer from the Squaw-Tahoe Ski Club, with a speedy ride of 50.5 seconds for a shortened 30 gate course tamped out in two feet of new snow.

Second place went to Mickey Hogan, unattached class C competitor out of Tahoe City, followed by Ted Harris, class B entrant from Auburn, 52.3.

A severe snowstorm Saturday almost forced postponement of the race, which was run in clearing weather for the small group of racers who braved poor travel conditions to compete.

COMMITTEES NAMED BY COUNTY GROUP

NEVADA CITY— Committee chairmen for the groups assigned to study various county operations under the Nevada County Grand Jury, have been announced by Charles Kitts, jury foreman.

Subjects of study and committee chairmen for the coming year are as follows:

County offices and officers, Bernice Glasson; county hospital and welfare, Vincent Lollich; jails and institutions, Chalmers Shamberger; schools, Thomas Lawrence; roads and highways, Harry M. Hill; salaries, Ernest B. Harter; buildings and grounds, Fred Bruhns, and Nevada Irrigation District, Clarence Williams.

CHURCH NOTES

Rev. Wesley H. Osman will begin a series of sermons on "The Sacredness of Christian Grace". Sunday he will preach on St. Paul's famous words, "By Grace Are Ye Saved Through Faith."

Membership training classes are now being started under the leadership of Rev. Osman and all who desire, both youth and adults, to come in with the membership class on Easter please notify Rev. Osman so that arrangements can be made for class meetings.

The Community Methodist Church in Kings Beach is having a series of Evangelistic services on Sunday evenings for the month of March. Rev. Osman has urged that Protestants avail themselves to these services if at all possible. Please look for details on another part of this paper and if persons desire a ride over notify Rev. Osman and arrangements can be made.

The Youth Fellowship meetings will be held as usual: the Intermediate Fellowship at 5 P.M. sharp Sunday evening and the high school MYF at 7 P.M. on Monday evening.

Portsmouth Plaza was once the center of San Francisco's community life.

SPORTS SHOW WILL OPEN AT BAY FRIDAY

Admiral John R. Redman, Commandant of the 12th Naval District, will officially open the 11th Annual San Francisco National Sports and Boat Show at 2 o'clock on Friday, by sounding 4 bells on the huge boat show bell which will be erected in the main auditorium.

Upward of 180,000 sports and boat enthusiasts, three times as many as saw the 1951 show, are expected to attend during the ten day engagement. More exhibits of every type have increased the size of the 1956 show and spilled it into a huge block long tent annex at the front of the auditorium.

Hailed as "shows within a show", the Sports and Boat Show will feature boats of the future, special boats for children, more than 145 outboard and inboard cruisers, sailing craft and countless boating apertunances and many educational displays. An added feature will be Phil Murphy's Gold Cup Contender, "The Breathless", and movie star Roy Roger's boat, "Miss Yellow Jacket."

NEW SETUP PROPOSED FOR WOMEN'S CLUBS

The Tri County Federation of Women's Club comprising Nevada, Placer, and Eldorado Counties will hold its last meeting on March 29 at Auburn according to word from Placerville, when it will be dissolved.

At the Northern District Convention at Crystal Bay, Lake Tahoe, April 23rd to 25th, the federation will be disbanded and its members will become a part of District No. 5 in the new organization of the California Federation of Women's Clubs.

Mrs. Fred Pedley of Truckee is the president of the organization which was established in 1925.

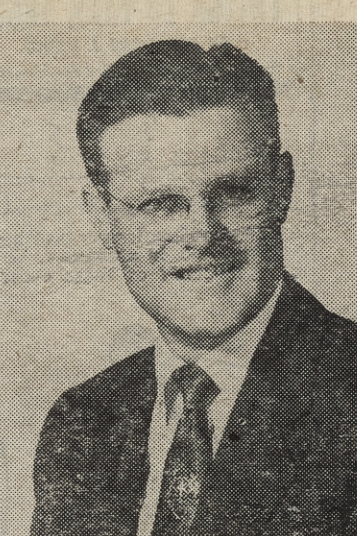

WRIT FILED IN COURT ON FELONY CHARGE

NEVADA CITY— An order for a writ of habeas corpus was signed Friday in Nevada County Superior Court by Superior Court Judge James Snell on behalf of Daniel Martin, 20, accused of manslaughter. The petition for the writ, filed by Attorney Harold Berliner, was presented and Snell set March 1 at 10 a.m. for the hearing.

The writ charges that insufficient evidence that Martin committed a felony was presented and that at the preliminary hearing in Truckee May 26 of last year it was not proved any public offense whatever was committed by Martin or by any other person in Nevada County or that any public offense known to law in the State of California was committed by Martin; and, more particularly, that evidence wholly failed to prove Martin had violated Section 192 of the Penal Code and that they failed to prove he drove while intoxicated.

Martin had been freed last August when Judge Snell ruled that insufficient evidence had been presented but was re-arrested and returned to Nevada County from Los Angeles on the same charge after

New Manager

Lee H. Apple, one of Bank of America's progressive young executives, has been promoted to manage Truckee's branch of the statewide independent banking system. Apple succeeds Robert E. Saunders, Jr., manager here three and one-half years, who has been promoted to assistant vice president in the Loan Supervision department at the bank's San Francisco head office.

Bus, Trucks Figure In Accidents Reported In Area During Past Week

No one was injured but the driver, Acey Arnold Brickel, 32, Reno, was cited when a Greyhound bus skidded into a parked car belonging to Lewis McVey of Norden Friday. According to Patrolman Martin Sturcke, the bus was closely following a tank truck and trailer and when the latter slowed, the bus was unable to stop and crashed into the parked vehicle.

Robert Patterson, 42, Reno, escaped when his tank truck and trailer overturned near Hirschdale Sunday. He was following a line of cars and when the car ahead stopped the driver applied his brakes causing the big vehicle to skid. He was not cited.

Clement Keys, 38, another Reno tank truck driver likewise avoided a ticket when his vehicle collided with a car driven by Loren Poole, 18, of Glendale on Donner, grade Sunday morning. No one was injured.

California has four of the 28 national parks and eight of the 73 national monuments in the United States.

Phone Official Here— C. N. Munger, Jr., district manager for the Pacific Telephone Company was here from Sacramento this week conferring with Manager Charles Berlenbach.

The Appellate Court reversed the Judge Snell decision.

Martin is in jail in lieu of \$5,000 bail. The habeas corpus petition was filed with accompanying points and authorities in support of the writ.

ROCKRIB R. SHORE XV, DIRECT DESCENDANT OF ROCKRIB R. SHORE I, HAS OFFERED THE TOWN OF CRABTREE CORNERS A GIFT OF \$1,000,000 IF THEY TURN BACK THE CLOCK 300 YEARS--AND LIVE AS THEIR ANCESTORS DID FOR A WHOLE WEEK!

A TRAIN PULLS INTO CRABTREE CORNERS ...

CRABTREE COR--!!
(GASP!) (SHOCK!)--NERS!!

IT'S A (SHUDDER) MASSACRE! SPARE (SOB) ME, RED BROTHERS!!

RELAX, BUSTER-- OUR TRIBE RETIRED FROM THE SCALP RACKET A LONG TIME AGO. ME AND RUDOLPH HERE IS THE LAST O' THE SHMAGEGIS-- THE BOYS WHAT GIVE CRABTREE CORNERS A HELPIN' HAND 300 YEARS AGO!

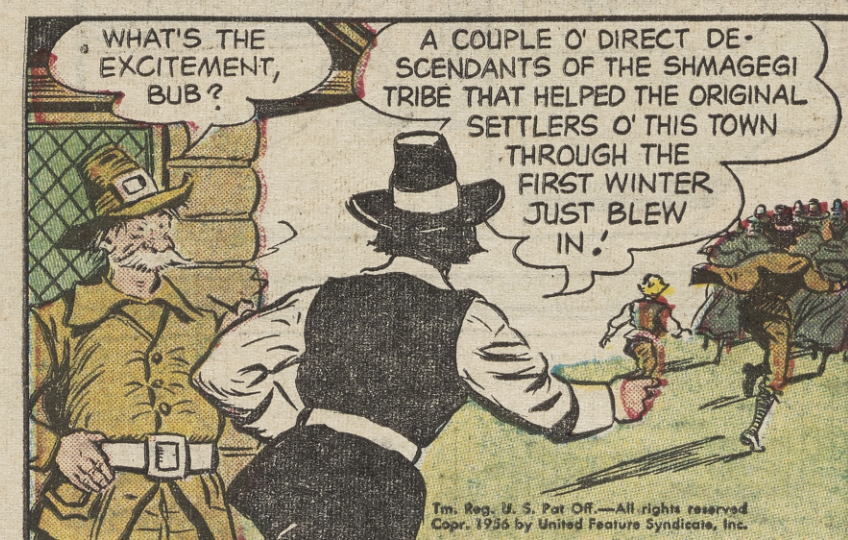

HOW

QUIET PLEASE

WHAT'S THE EXCITEMENT, BUB?

A COUPLE O' DIRECT DE-SCENDANTS OF THE SHMAGEGI TRIBE THAT HELPED THE ORIGINAL SETTLERS O' THIS TOWN THROUGH THE FIRST WINTER JUST BLEW IN!

Copr. 1936 by United Feature Syndicate, Inc.

--AND AS MAYOR OF THIS COMMUNITY I EXTEND TO YOU THE HOSPITALITY OF THIS TOWN. AFTER ALL, IF IT WEREN'T FOR YOUR ANCESTORS, THERE'D BE NO CRABTREE CORNERS!

YOU SAID IT, PAL!

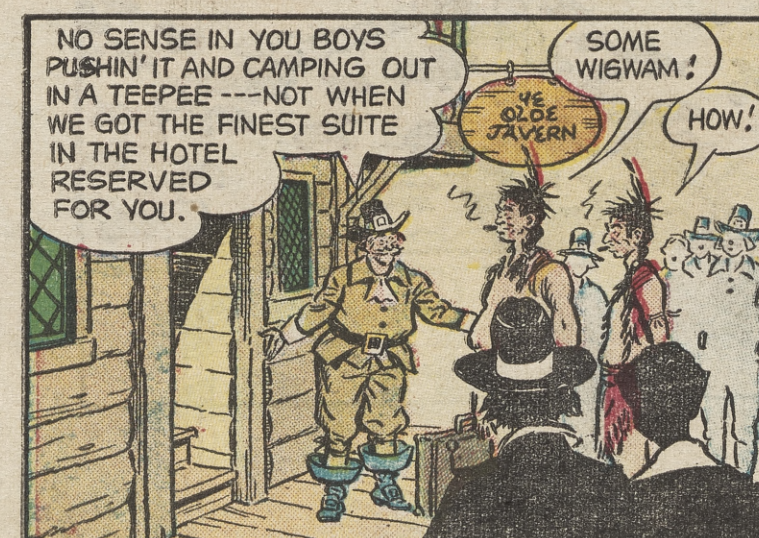

HOW!

NO SENSE IN YOU BOYS PUSHIN' IT AND CAMPING OUT IN A TEEPEE ---NOT WHEN WE GOT THE FINEST SUITE IN THE HOTEL RESERVED FOR YOU.

SOME WIGWAM!

HOW!

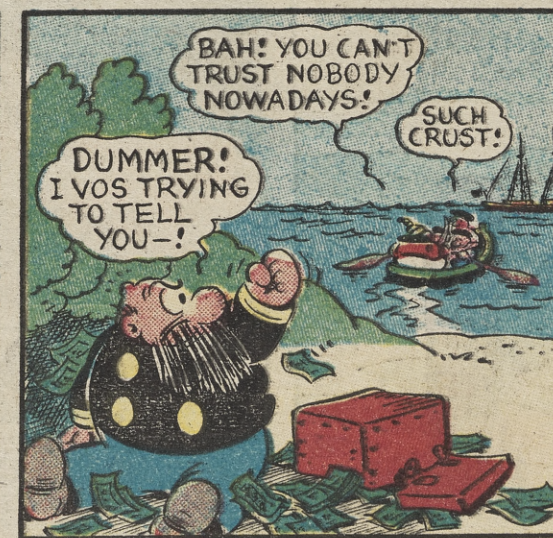

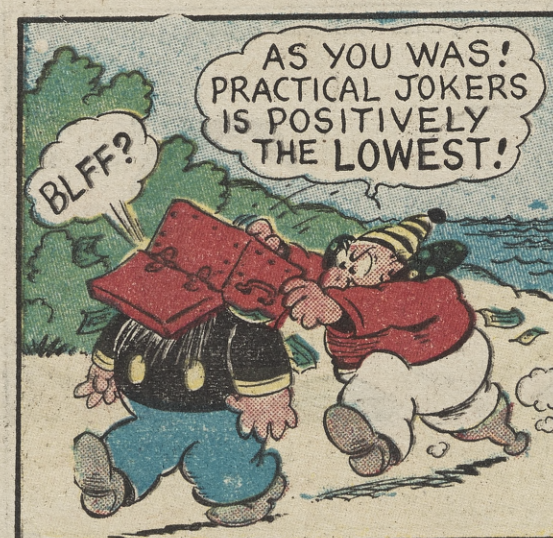

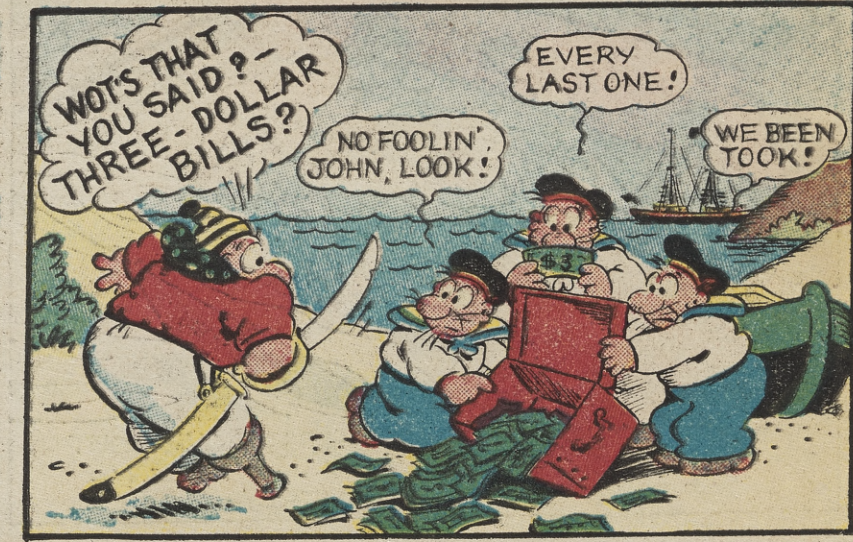

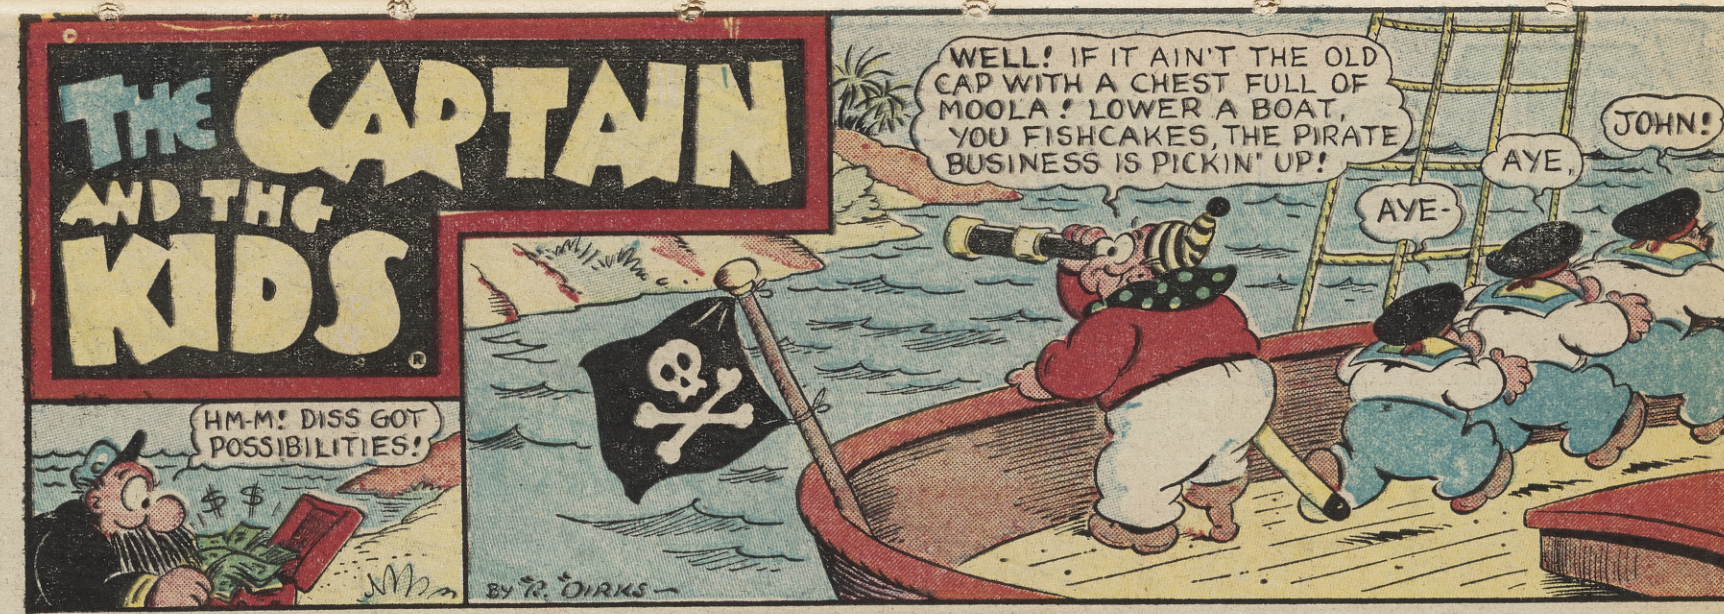

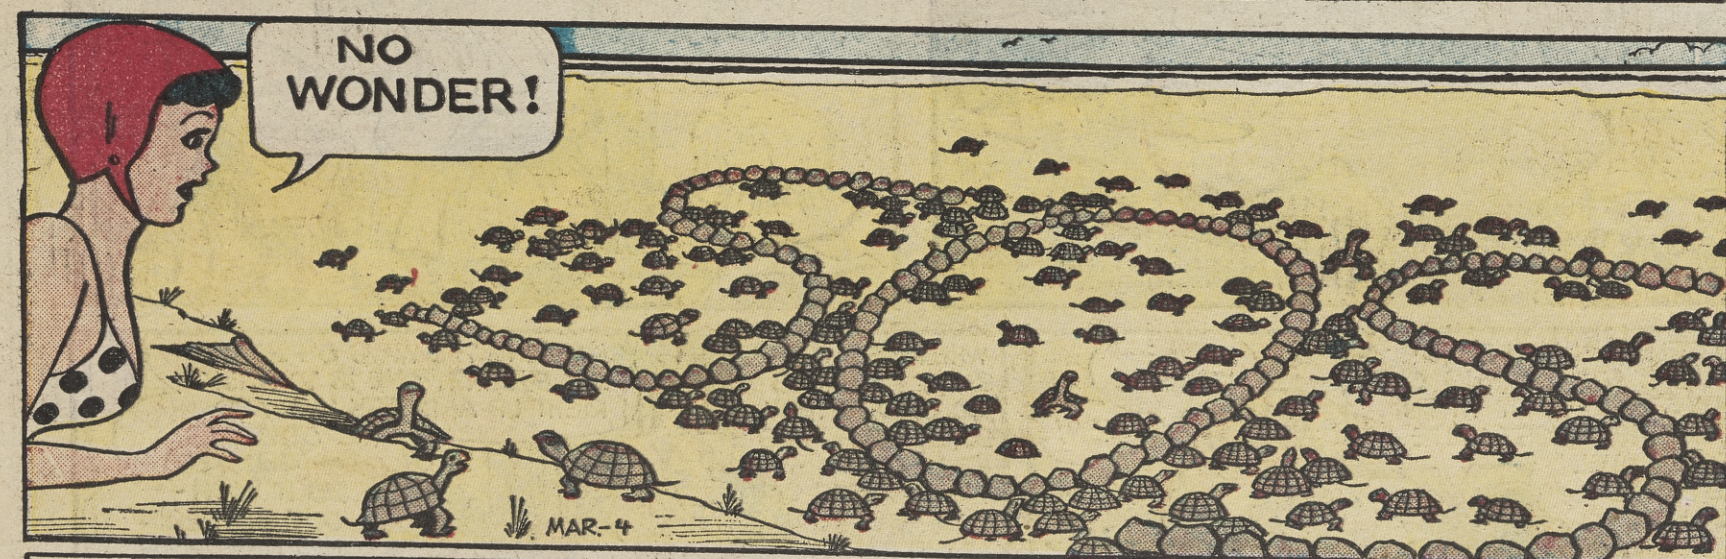

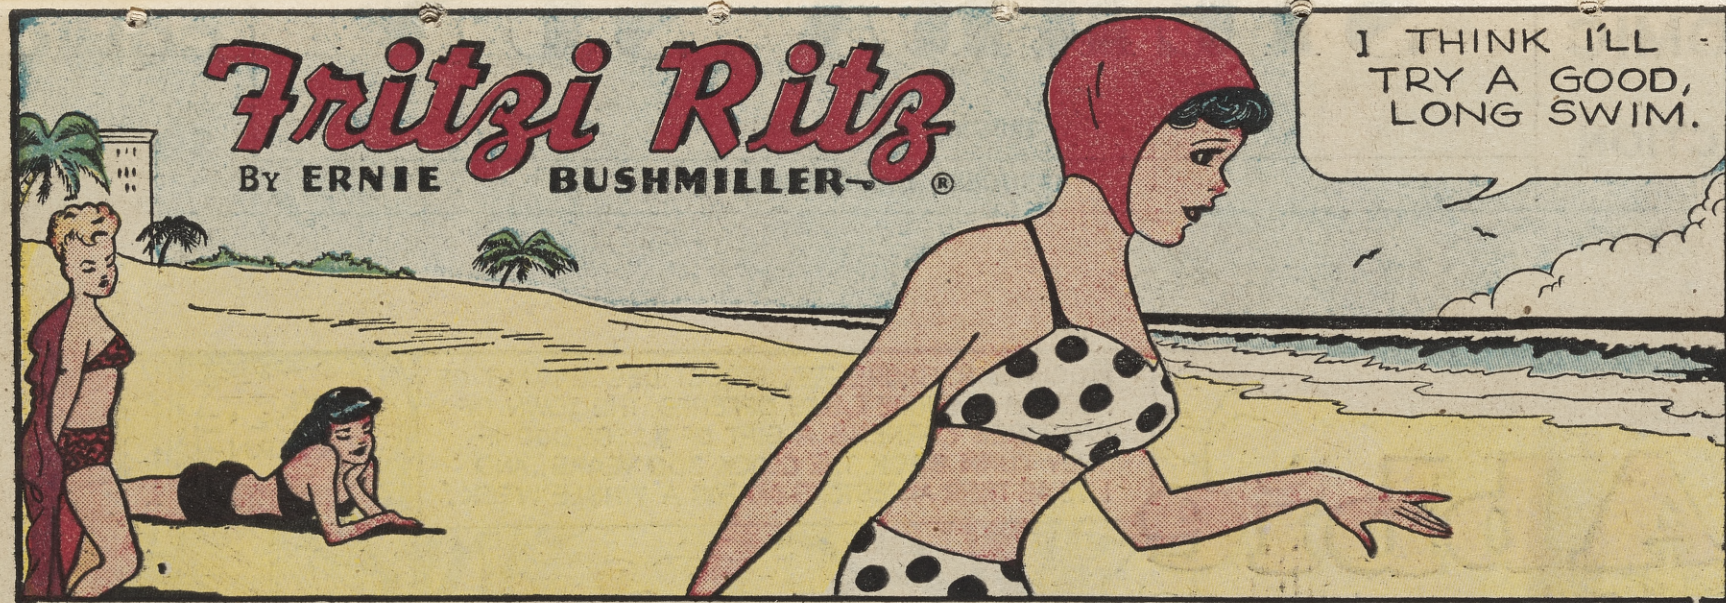

WHEN THE MAYOR SAYS, "NOTHIN' IS TOO GOOD FOR YOU BOYS," YOU FIGURES HE ALSO MEANS THE CONTENTS O' THE VAULT AT THE BANK, RUDOLPH?

THERE IS TWO WAYS O' FINDIN' OUT, EUGENE. ONE IS TO WALK RIGHT UP AND ASK HIM. AND THE OTHER IS (CHUCKLE) DO IT WITH-OUT BOTHERIN' HIS NIBS WITH FOOLISH QUESTIONS!

TO BE CONTINUED

ISN'T ARCHIE CLEVER! PLANNING THIS BANQUET TO HONOR OUR HOCKEY TEAM!

WE'RE GIVING THEM A FREE TRIP TO THE SOUTH!

GOOD GRIEF! IT'S LIKE A BARN IN HERE!

ARE WE GOING TO PLAY HOCKEY?

JUGHEAD! I THOUGHT I TOLD YOU TO TURN UP THE HEAT!!

OH?! I THOUGHT YOU SAID, "BE SURE AND TURN UP TO EAT"!

FOR THE LOVE OF PETE, ARCHIE! WHAT KIND OF A BANQUET IS THIS? IT'S FREEZING IN HERE!

JUGHEAD WAS SUPPOSED TO TURN THE HEAT UP EARLIER!

WHAT ARE YOU KICKING ABOUT? I WON'T MAKE A NICKEL CHECKING COATS!

I'LL TELL 'EM TO SERVE THE HOT SOUP!

I'VE GOT THE HOT WATER OPEN WIDE!

OMIGOSH! THE PIPES ARE FROZEN!

START THE SPEECHES!

WHY? EVERYONE'S WEARING EAR MUFFS!

I'VE GOT THIS THING GOING FULL BLAST!

ARCH! ARCH! ALL THE PIPES JUST BURST!!

LOOK OUTSIDE! THE CHIMNEY IS ON FIRE!!

I KNEW YOU OVERHEATED IT!

...AND IN CLOSING MAY I LEAVE YOU WITH THIS THOUGHT...

YOU GAVE ARCHIE A FREE TRIP TO THE SOUTH??

YES! YOU SEE... WE'RE PLANNING A BASKETBALL BANQUET!

HERE COMES MOM NOW, PAT—!

IF YOU GET OUTA THIS YOU'LL BE A REAL LUCKIER!

JUST YOU KEEP QUIET AND I'LL GET ALONG O.K.!

THAT'S FUNNY! I'M SURE I CLOSED THE DOOR WHEN I LEFT---

I WONDER IF THE TWINS GOT HOME EARLY FROM SCHOOL---

HI!

HOW IS IT YOU'RE HOME ALREADY?

ER--WE DIDN'T GET TO SCHOOL, MOM--YOU SEE, PAT WAS----

LET ME TALK, PENNY--

SUPPOSE YOU TELL ME WHAT HAPPENED--

WELL I WAS FREEZIN' ON MY WAY TO SCHOOL-- SO I RAN TO KEEP WARM-- AN' I TRIPPED AN' FELL ON MY LEG REAL HARD!

BUT I DIDN'T BREAK IT, MOM! ...ALL I DID WAS TEAR MY NEW PANTS!
